convert dental codes to medical codes | medicarecodes.net

I need some assistance with cross walking CPT codes. It was suggested that these codes below are ok to crosswalk one for one. However, I am not an expert in E&M coding. It was my understanding that many of these codes are not meeting the components. I understand it is ok to down code but some of these cross walks would cost the client revenue.

Crosswalking E&M Codes | Medical Billing and Coding Forum ...

The dental (CDT) code for incision and drainage of abscess of the intraoral soft tissue is D7510, whereas the medical (CPT) code for the same procedure is 41800. This means that the patient can go to either their dental or medical office to receive the same treatment, but different insurance companies would be billed.
