### Cujo | Trail Bikes | Cannondale

The dogs featured in the film would often have their tails tied down to their legs because the dogs would be enjoying themselves so much that they would wag their tails during filming. This tactic was missed once in the editing where they show Cujo from behind ready to attack and his tail is wagging energetically. 206 of 207 found this interesting

### Cujo 3 | Trail Bikes | Cannondale

Though 'Cujo' is not as spooky as many of Kings other titles, I did like the supernatural element and themes of dominance through forms of violence. I'm not convinced that it translated to the movie as the interconnectedness was lost through omission of certain plot points. The novel took a long time to build up.
