The Champagne Standard by Mrs. John Lane, Paperback ...

The champagne standard is the whole world's measure, and even justice bows to it when it interprets its laws for the rich and the poor. A company promoter, who in the course of his career has wrecked thousands of lives, can, if he is only rich enough, consort with the noblest and most virtuous of the land; but of course he must be rich enough.

The Project Gutenberg eBook of The Champagne Standard, by ...

Finally available, a high quality book of the original classic edition of The Champagne Standard. It was previously published by other bona fide publishers, and is now, after many years, back in print. This is a new and freshly published edition of this culturally important work by John Lane, which is now, at last, again available to you.

180 to 240 ml (6.1 to 8.1 US fl oz) of liquid. Legend has it the shape of the coupe was modelled on the left breast of the French Queen Marie Antoinette , wife of King Louis XVI of France , but the glass was designed in England over a century earlier especially for sparkling wine and champagne in 1663.
