Law and politics are deeply intertwined. Law is an essential tool of government action, an instrument with which government tries to influence society. Law is also the means by which government itself is structured, regulated and controlled.

Law and Politics: Critical Concepts in Political Science

This chapter examines the political significance of the moral justification of the rule of law in Britain. It regards the rule of law not as a universal moral imperative, but rather as a doctrine which is valid or good to certain types of society provided they meet the cultural and institutional presuppositions for the rule of law.

Politics of the Rule of Law - Oxford Scholarship

The Politics of the Common Law offers a critical introduction to the legal system of England and Wales. Unlike other conventional accounts, this revised and updated second edition presents a coherent argument, organised around the central claim that contemporary postcolonial common law must be understood as an articulation of human rights and open justice.

Federation Press - Book: The Law of Politics

"The Politics of Islamic Law is a remarkable book, both for its breadth and lucidity. The archive that Hussin plumbs is vast (Malaya, India, Egypt) and her analysis sharp. In clear prose she shows the various ways in which British colonial rule transformed Islamic law to fit the requirements of the modern state.
