CfP #5: The Politics of Reproduction 128.69 KB Download While recent feminist, queer, trans, post-colonial, critical race, Marxian and other scholarship has often critically re-affirmed some of the key claims and contributions of scholars and activists engaged in the domestic labour debates, it has also re-thought and re-formulated a number of problems and propositions.

Call for Papers #5: 'The Politics of Reproduction' | Spheres

The Politics of Reproduction O'Brien wrote The Politics of Reproduction (1981), an important book in the development of feminist political theory. Starting from a Marxist materialist position, O'Brien's purpose was to connect inextricably Marx's concept of labour to produce objects to the act of giving birth, thereby placing women central in Marxist materialism as she re-defined it.

The Gift of the Other: Levinas And the Politics of ...

This groundbreaking volume provides a dramatic investigation of the dynamics of reproduction. In an unusually broad spectrum of essays, a distinguished group of international feminist scholars and activists explores the complexity of contemporary sexual politics around the globe. Using reproduction as an entry point in the study of social life and placing it at the center of social theory, the authors examine how cultures are produced, contested, and transformed as people imagine their ...
