From gardening and cooking, to herbalism and natural crafts, Family Homesteading shares stories and hands-on projects that will deepen relationships and build self-sufficiency skills.

Family Homesteading: The Ultimate Guide to Self ...

First off realize that you can start right now, where you are, even without a big piece of land. Homesteading is a journey not a checklist and most people need time to work up to a larger homestead. So start small where you are today, then add something new, and while you're doing that, start considering how to find land.

Homesteading | A Complete Guide to Homestead Living | The ...

" Homesteading is a lifestyle of self-sufficiency. It is characterized by subsistence agriculture, home preservation of foodstuffs, and it may or may not also involve the small scale production of textiles, clothing, and craftwork for household use or sale". The 'ever so posh' Cambridge Dictionary offer these useful pointers:
