The AFN engine was the first 110bhp engine. It is basically the same as the 1Z and AHU engine, but with a VNT turbo and different profile cam plate in the injection pump, and the 205 injectors. Also the AFN and AHU got upgraded pistons compared with the 1Z (even though the AHU is still only 90bhp).

AAZ was the old 1.9 litre indirect-injection engine, 1993 - 1997 in Canada only (it was never sold in USA - VW skipped diesel availability completely in USA throughout this engine's production run). The injection system is totally mechanical. 1Z is the first TDI engine, '96 - '97 Passat and possibly some early '97 Jetta TDI.
